

VENISON PROCESSING 2017 / 2018 SEASON

Why take your deer any where else?

Bring your venison or wild game to Tiefenthaler Quality Meats and let us do it right! At Tiefenthaler's we pride ourselves on providing superior taste and quality for all our products, including wild game. We use our award winning recipes on all our products.

Whether you bring your deer in to us field-dressed, quartered or boned-out, we will process your deer in the most efficient and wholesome manner possible.

A couple of things to keep in mind to get the best quality product.

- ◆ We prefer you bring your deer in with skin on...it does not save you any money by skinning it yourself. We keep the hide as part of the processing. If you would like your hide back there is an extra charge of \$6. After we notify you that the hide is ready it must be picked up within 3 days or it will be discarded.
- ◆ We reserve the right to refuse any trim or carcasses not properly handled. Thank you for trusting us with your success. *For batch consideration and time efficiency commingling of some products is necessary.*
- ◆ Please do not put your venison trim in garbage bags! There are dyes and chemicals in those bags, as these are not intended for food use. Ziploc bags or other food safe bags and containers only.
- ◆ Pork or beef trim is added to some products and our prices are figured with that included. We do not accept outside pork or beef or use meat from processing of your hog or beef. Causes to much confusion.
- ◆ All chops, steaks and roast are cut boneless. All cuts are wrapped in paper. All burger is in plastic 1 lb. tubes. All patties are in 10 lb. bags. We vacuum package all cooked products which will extend the shelf life of your product.
- ◆ All prices are charged on the weight of the wild game and added pork or beef trim before smoking, not the finished weight. All smoked products will shrink after cooking in the smokehouse. Finished going home weight changes depending on the product. See the approximate shrink for each product on the price list.

Prices are subject to change without notice.
