

Bacon Wrapped Maple Cocktail Links

Ingredients

- 1 lb. Tiefenthaler's Thin Sliced Bacon
(cut pkg in 1/2 before opening)
- 1 package Tiefenthaler's Maple Cocktail Links
(about 30 links)
- 1 cup Brown Sugar

Method

Pre Heat Oven to 375°F.

Cut the bacon package in 1/2 to give you smaller lengths of bacon. Wrap each maple cocktail link with the bacon. Skewer a toothpick through the center to hold bacon in place.

Arrange on a tin foil lined baking sheet and sprinkle liberally with the brown sugar.

Bake for 10 minutes then turn and bake for another 10 minutes. Links are ready to go into the crockpot to keep warm. Serves 10-15 people.
